## CODING EXPERIENCE

**ACCESIBILITY GAME JAM**  
**NEW YORK, NY**  
December 2018

- In a team of four, we worked with a six year old client who lived with a physical disability to teach them morse code. Within 48 hours we designed controllers the client could use, and a mobile game that taught morse code using the Google morse code G-board.
- I was the sole Unity developer for this project, and aided with character animation.

**WEB DEVELOPER**  
**SACATELLE**  
**NEW YORK, NY**  
August 2017-February 2018

- Hired as a creative designer, but stepped up when they needed someone to develop a website using WordPress.
- With no prior experience, I solely developed a site that incorporated business to business call to action, an commerce space, along with client portal to create an efficient design experience.
- After the site was published Sacatelle saw their client base grow by 15%.

**GLOBAL GAME JAM**  
**NEW YORK, NY**  
January 2018

- In a team of 5, we worked to develop a game that showed the beauty of learning to play an instrument.
- In the team I was responsible for developing a cohesive design for all to follow, aid in developing art assets, and debugging code in Unity.

**8 WEEK UNITY INTENSIVE  
PLAYCRAFTING**  
**NEW YORK, NY**  
October 2017-November 2017

- Designed and developed a series of 6 games in 8 weeks.
- Learned the fundamentals of both Unity and Coding.
- Over the last 2 weeks of the intensive, with a partner, we designed, and developed a game.

## GAME DESIGN EXPERIENCE

**GAME DESIGN RESIDENCY**  
**U.S. HOLOCAUST MEMORIAL  
MUSEUM**  
**WASHINGTON D.C.**  
April 2019-May 2019

- Designed an experience that straddled the sensitive topic of the Holocaust, while creating a play space for education.
- Conveyed the impact of an individual on a community, while presenting the nuanced complexities of taking action during this historical period.
- Codesigned with holocaust survivors, historians, and museum goers to develop an authentic and effective experience.

**GAME DESIGN RESIDENCY**  
**STATEN MUSEUM OF KUNST**  
**COPENHAGEN, DENMARK**  
February 2019-March 2019

- Codesigned with students from “The Royal Danish Academy of Fine Arts” to develop interactive experiences to improve museum goer experience at the “Staten Museum of Kunst”.
- Utilizing nothing more than masks, and prompts we increased how much of the museum the average visitor explored by 2%.
